

Standard Harness Sizes

	Harnesses		Groin Pieces			
	Girth (in)	Height	Length		Width	
WalkAble	16 - 33	8	6*	8	9	1
Junior	17 - 33	8	6	8	9	1
Small Adult	22 - 45	9½	9	10½	13	1 ½
Standard Adult	25 - 60	11	9	10½	13	1 ½
LGI 500	42 - 84	14½	16	19		1 ½

* bold indicates standard

Harness extenders are available for all harness sizes to add additional girth.

Diaper Harness

Fits infant sized children

Can be made to fit either WalkAble™ or LiteGait®

This is the smallest pediatric harness at 6 ½" to 7" wide

Leg Straps

Leg straps replace groin piece and function as an abductor strap. Pediatric straps feature 1" buckles, and adult straps feature 1 ½" buckles.

Crawling Harness Sizes

	Length (in)	Maximum Girth
Small*	8	24
Medium*	10	36
Large	12	50
Extra Large Custom	15	Customizable

* If intended for use with WalkAble, please specify plastic buckles.

Additional Harness Options

Harnesses are available with increased height—for greater torso coverage—as well as in half height.
